

Clinical/Counselling Psychologist

Job Pack

Clinical/Counselling Psychologist

TITLE: Clinical / Counselling Psychologist

SALARY: £35k - 55k with bonus

LOCATION: 6 Minshull Street, Manchester

HOURS: Part time

ACCOUNTABLE TO: Lead Care Coordinator

The Bridge is part of the Tx Group, a growing private therapy company, providing a variety of health and education therapy services in the North West of England.

The Bridge is a privately run outpatient service offering immediate specialist support to children and adults who may be experiencing eating disorders or concerns surrounding eating behaviours. We identify/recognise that there are limited options available for families seeking access to outpatient services and existing facilities often have large waiting lists and strict inclusion criteria. Our team provide a supportive outpatient service for those who are seeking immediate treatment and adopt a multidisciplinary team approach to help achieve effective long-term results for children and their families in overcoming food related problems.

The Bridge works with a multidisciplinary team including mental health nurses, dietitians, psychologists and medics. Our company philosophy is patient-centred and holistic. We are committed to providing the highest standard of care to everyone we treat, helping children and parents make real progress in a professional, caring, safe and supportive environment.

The Clinical / Counselling Psychologist will join The Bridge on a part time basis at Minshull Street, in the centre of Manchester.

We provide children and adults with immediate access to a multidisciplinary specialist eating disorder service.

Job summary

Main Responsibilities:

- Deliver a high standard of care to patients and families.
- Assess needs, plan, implement and monitor care in collaboration with children and adults, carers, and other members of the multidisciplinary team.
- Deliver 1-1 interventions and group work.
- Provide assessments and reports.
- Implement care that meets the mental, physical, spiritual, psychological and social needs of the child or adult, and that is sensitive to age, culture, race, gender, ethnicity, social class, sexuality and disability.
- Practice in keeping with NICE guidelines.
- Ensure safe and timely discharge of patients by providing relevant information to key professionals and agencies and following relevant procedures.
- Maintain up to date records in line with professional standards.
- Provide supervision / advice to Personal Assistants employed within the company.
- Train parents and carers on their child's specific needs.
- Work to help children with an eating disorder maximise the quality of their life.
- Work within a wider MDT including specialist dietitians and mental health nurses.
- Contribute to a MDT service to ensure that holistic needs of children and adults are met.
- Actively engage in safeguarding.
- Actively engage in the use of supervision and all other training opportunities provided to further own professional and clinical development and that of others.
- Manage and maintain own diary, including appointments and meetings.

Our vision is to improve the health of children and adults by providing them with immediate access to an evidence-based multidisciplinary eating disorder service.

The ideal candidate

General Responsibilities:

- To manage all tasks effectively and efficiently.
- Set high standards of self and others, assume responsibility and accountability for completion of tasks on behalf of the team.
- Monitor and update diary and bookings system where necessary.
- Update clinical notes following each appointment.
- Actively participate in selected quality management activities.
- Assist with the coordination of everyday services.
- To demonstrate effective time management and organisational skills during management of own workload and to be able to adapt to an unpredictable work pattern on a daily basis.

Team Member Responsibilities:

- Run an efficient and high quality service.
- Collaborate to deliver an excellent customer journey and experience.
- Participate as part of a happy and motivated dynamic team.
- Provide the best experience in the best environments.

Teaching, Training and Professional Development Responsibilities:

- Participate in the appraisal system as appraisee, and be responsible for fulfilling agreed objectives and personal development plan.
- Recognise own development needs and identify in conjunction with how these can be met.
- Participate in the teaching and training of team members.

This job description is not meant to be exhaustive and reflects only the current and anticipated responsibilities of the post. The successful applicant will be expected to work flexibly in order to meet the overall needs of the position.
